VINTER VARMER IS AN INTERPRETATION OF A SPECIAL VERSION OF AN ENGLISH STYLE OLD OR STOCK ALE BREWED FOR THE BEGINNING OF WINTER. A SMOOTH, STRONG, MALT DRIVEN BEER WITH A NICE BALANCE OF MILD, PLEASANT HOPS TO FORTIFY AGAINST THE COLD. WE USE A BLEND OF SIX MALTS AND FOUR HOPS TO CREATE AN ALE WITH DEEP CARAMEL CHARACTER, SPICY HOP FLAVOR AND A DRY ROASTY FINISH. THIS WINTER WARMER ALE IS AS RICH AND COMPLEX AS IT IS DRINKABLE.
